

FARMERS' MARKETS AND FARM STANDS IN STRAFFORD COUNTY 2009

The **Strafford Rivers Conservancy** would like to thank *Seacoast Eat Local* and *Slow Food Seacoast* for contributing additional locations of farm stands to this year's listing. This list is updated annually, but it is best that you call ahead to confirm dates, directions and available produce. Please let us know about any farms that have not been included. Some farms may operate in part or whole as a CSA (Community Supported Agriculture). CSA members receive a weekly share of the farm's vegetables, fruits, or other farm products. Additional information supporting local food projects can be found at www.seacoastharvest.org.
